Andy,

Have you received the list of ADQs performed for the Pavillion work? I think it is in each ADQ is where the lab can find the list of QA findings and observations. If you have it, could you send it on to Mark?

Thanks,

Subject: Pavillion Question

Rob,

The lab was suppose to get a spreadsheet listing all of the QA concerns. We have not gotten it yet. Could you send it to us so we can get the info back to you. I think it originates from Steve Vandegrift ????. We have the MDL data and will provide it to you soon. Thanks, Mark
